Bio-Zyme Cleaner

Enzyme Based General Cleaner
Lemon Fragrance

Bio-Zyme Cleaner concentrated formula can be used full strength or diluted with potable water. It can be used on any washable surface, floors, toilets, urinals, Urinettes, carpets and drains.

An environmentally and user friendly cleaner, degreaser and deodoriser Bio-Zyme cleaner is the safer and healthier alternative to toxic cleaners, solvents, caustics and bleaches.

Used more commonly as an all purpose cleaner to eliminate smells and soils. Can be used very effectively through a foaming dispenser for greater coverage.

Features & Benefits

- Fully neutralises contaminants as a biodegradable cleaner
- Reduces the number of chemicals used or stored on site
- Safe to use, non toxic, non allergenic and non flammable
- Environmentally compatible
- Biodegrades the removed organic contaminants
- Cost effective

Suitable for use in:

- Hospitals / Hospices
- Schools
- Resthomes
- Childcare Centres
- Healthcare
